

Combe Valley Hospital Taking Shape

We have made great progress during August and the beginning of September.

Not only have we completed the steel frame for the building and started the first internal partitions, we are also working on the pitched roofs and have erected the scaffolding needed for bricklaying to start.

We continue to undertake groundworks and have expanded the car park at the front of the building.

Offsite, capital plant as well as internal doors, are being manufactured and we expect delivery between the end of the year and the start of 2025.

We have also been carrying out maintenance around the ecological areas on the site boundaries. This is to ensure wildlife and surrounding flora and fauna remain protected from the construction works.

Thanks

A lot of people have been putting in a lot of effort over the last few weeks and we thought we would show our appreciation for their hard work and professionalism. So many thanks to everyone from:

- Chartway Civil Engineering
- SCWS Steelwork
- DM&C Ash Drylining
- Brandclad Roofing and Cladding
- Owens Scaffolding
- Claylens Mills Brickwork
- Byford Roofing
- JA Brooks Pipework and Plumbing
- E&S Ductwork
- Carmel Electrical

Community

We are on the look-out for apprentices to work with us. We will be running an Apprenticeship Assessment Centre on-site on Tuesday 1 October so do pop along and see us if you, or anyone you know, are interested.

Our Groundworks Foremen – Chris Parham, Nick Parham and Jon Burns – hiked 36km in the Folkstone Downs Challenge for their local hospice raising £2000 in donations from family, friends and site staff.

Watch this space

We will shortly be putting up some artwork created by local mental health service users on our site hoardings so do keep an eye out.

Our next update will be in October

Site opening hours

08:00 – 18:00 (Monday to Friday)

Out of hours contact telephone number – 01604 498830
