Work Experience and Apprenticeship:

Week commencing 11.03.2024, our Quantity Surveying team welcomed and mentored two pre-university students with a keen interest in a QS career.

On the 20th and 22nd we also had an open-door event welcoming children and their tutors from Morton College and Bramley Hill School to give them a guided tour and to show what really happens inside a building site.

Charity Work and Volunteering:

Our team volunteered two days a week to support the Sutton Night Watch charity with food distribution to homeless people. Kier also donated a large amount of food items such as coffee, milk, fruit juice, sugar, biscuits and tins of tomatoes, greatly welcomed by the charity.
