

NEW CAREW ACADEMY

June 2023

Development Overview – by Noviun Architects

Dear Residents,

Please see below the progression of our work for June 2023:

Commencement of weld mesh fencing to west elevation.

Mesh panels commenced installation to west elevation once posts were fully installed.

UK Power Network existing services protection works.

Site Office.

Earthworks continuing with cut and fill to building footprint. Reduce level dig continuation. Importing of roads stone.

Installation of substation which will supply power for the new school and upgrade the local electric infrastructure for the community.

Progression of work

During the month of June, we are carrying out the following activities:

- Excavation and pouring of concrete for pad foundation.
- Continuation of perimeter fencing on the Southern elevation.
- Preparation of MUGA up to sub-base level to receive subcontractors' storage cabins.
- Completion of main welfare facilities.
- Commencement of 5 parking bays for residential use.
- Insulation of drainage for attenuation tank and associated pipework and formation of hard standings.
